

TEMPUS EXC2

Hinged Emergency Exit Sign

TEMPUS EXC2

Hinged Emergency Exit Sign

TEMPUS EXC2 emergency exit sign is designed for a range of mounting options. The hinged blade of the TEMPUS EXC2 permits wall or ceiling mounting whilst also allowing for the luminaire to be mounted on angled surfaces due to the innovative hinged brackets. In addition to this the luminaire can support recessed and suspended mounting with supplied accessories.

Key features:

- Versatile hinged, slim & attractive design
- For wall, ceiling, angled or suspended mounting
- Efficient and reliable LED light source
- Complete with ISO legend kit options
- Integral status indicator
- Standard technology
- 3 hours emergency duration
- Option for maintained or non-maintained operation

Specifications

Rated supply voltage	: 220-240 V
Supply frequency	: 50/60 Hz
Supply current	: 18-24 mA
Power factor	: 0.45 - 0.53
Total circuit power	: 2.3 W
Conductor size	: 0.75 to 1.5 mm ²
Ambient temperature (ta)	: 0°C to +35°C
Ingress protection	: IP20
Viewing distance	: 28 m
Protection class	: Class II
Emergency duration	: 3 hours
Recharge period	: 24 hours
Weight	: 810 - 955 g
